MISSION

Clearwater Central Catholic High School, a college-preparatory school in the Diocese of St. Petersburg, is committed to educating the whole person with “minds for truth, hearts for love, and hands for service.” Our unique academic and extensive co-curricular and student centered program inspires each person to develop his or her spiritual, intellectual, moral, physical, and creative potential and to respect the diversity among them and in the world beyond. We further challenge our students to intentionally pursue social justice and live in service to others for the betterment of society.

VISION

True to our founding mission and enriched by our shared core values, Clearwater Central Catholic High School, a community of faith and life-long learners, aspires to develop faith-filled leaders who embody respect in themselves and for others, who value service as a gospel calling, and who are inspired to excellence in all endeavors transformed for life's journey.

CORE VALUES

Living Faith

Embodying Respect

Valuing Service

Inspiring Excellence

SCHOOL

Founded in 1962, Clearwater Central Catholic High School (CCC) is a college-preparatory and International Baccalaureate (IB) School incorporated within the Diocese of St. Petersburg, Florida, with an enrollment of about 560 students in Grades 9 - 12. It is accredited by the **AdvancED** and holds membership in the **National Association for College Admission Counseling**.

CURRICULUM

The academic program is organized on a rotating schedule, with a seven-period day, and each period is 48 minutes. Students are required to take seven credits each year. Courses are primarily designed for students enrolled in a **college preparatory** program. **Academic Placement** is a decision for student placement made by the administration in consultation with department chair and teachers. This decision is based on prerequisites, teacher and department chair recommendations, standardized scores, previous courses, four-year plan sequencing or other exceptional circumstances. **Honors courses** are designed to meet the needs of students who have mastered average achievement skills related to those subject areas and compared to national norms. **Dual Enrollment courses** are offered in a partnership between Clearwater Central Catholic High School and St. Petersburg College providing students the opportunity to take courses on CCC's campus and simultaneously earn college credit. **Advanced Placement (AP) Program** courses are offered in many of the college preparatory disciplines. Successful performance on the examination may result in college credit. The **International Baccalaureate (IB) Diploma Program** is a rigorous two-year curriculum that leads to a qualification that is widely recognized by the world's leading universities. Enrollment in the full IB Diploma program requires an application process that includes teacher recommendations and grades. Students are permitted to enroll in certain individual IB courses as well.

GRADING SYSTEM

Letter grades have the numerical equivalents below, and courses given a letter grade are assigned the corresponding quality point values.

Letter Grade	Percentage Average	DP IB Reference Scale	Proficiency Level	Quality Points
A	90-100	5-7	Exemplary	4.0
B	80-89	4	Proficient	3.0
C	70-79	3	Basic	2.0
D	60-69	2	Below Basic	1.0
F	50-59	1	No Evidence	0.0

GPA CALCULATION

Unweighted GPA is computed using the above quality points. Grades are computed on a 4.0 scale. Credit is awarded on a semester basis. The minimum passing grade is 60. A pass grade (P) has been awarded when students have completed the course and have earned the credit but the grade is not included into the GPA. An incomplete grade (I) has been awarded to students who did not earn/complete the credit and the grade does not affect their GPA nor penalize the student.

Weighted GPA includes the additional quality points. Dual Enrollment, AP and IB classes are awarded an additional 1.0 quality point. Honors courses are awarded an additional 0.5 quality point. Weighting is awarded when students earn a C or higher. No additional weight is included when students earn a D or F in Honors, Dual Enrollment, AP or IB courses.

RANK

CCC does not publish students' rank in class.
