Clearwater Central Catholic High School
"Where Possibility and Opportunity Meet"

August 23, 2021

A Message from CCC Administration

Notice of Vaccine Collection

Dear Parents,

As we discussed in our parent **Zoom meeting**, Clearwater Central Catholic High School (CCC) will be collecting COVID-19 vaccination records for those families who wish to share vaccination information to avoid quarantine when their child is exposed to a known case of COVID-19. **If your child is exposed to COVID-19 at school, and we have a copy of the vaccination record, we will notify the affected student's parent of the exposure, but we will not require the student to quarantine.**

This protocol follows the guidelines outlined in the latest version of the "**COVID 19 Decision Tree – Students**, Rev 8-9-21," which can be found on the ccchs.org **website**. Having a copy of the vaccination record will allow us to manage contact tracing and quarantines more expeditiously.

Students who have not been vaccinated but have had a previous case of COVID-19 within the previous 90 days will be handled on a case-by-case basis at the time of the exposure. To avoid a quarantine based on your child's previous diagnosis (natural immunity), parents will be required to provide documentation of the past positive case occurring within the previous 90-day timeframe *at the time of the new exposure*. CCC will not be keeping records of past positive cases.

If you would like to provide CCC with a copy of your child's vaccination record, please:

- Take a picture (JPEG/PNG) of the vaccination record
- Email the image to **reporting@ccchs.org**

If you have any questions or would like further clarification, please don't hesitate to contact me at **jdeputy@ccchs.org.**

Thank you for continuing to partner with us as we take all measures to ensure the safety of our students.

Sincerely,
Mr. James Deputy, Principal
